Welcome Message

Dear Colleagues,

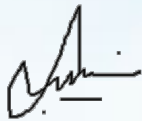

On behalf of the Organising Committee, we would like to cordially welcome you to this year's MSGH Update in Gastroenterology and Hepatology which will be held on 23rd February 2019 at the Universiti Sultan Zainal Abidin Health Campus in Kuala Terengganu, Terengganu.

The meeting is an annual event by MSGH which aims to provide medical professionals with the latest updates in gastroenterology, hepatology and GI surgery, and is held amongst the East Coast states of Pahang, Terengganu and Kelantan. This year, MSGH is partnering with UniSZA in having the event in Kuala Terengganu. We sincerely feel this is a good opportunity for participants from various medical and surgical disciplines to meet up and share their experience and expertise.

We have arranged for expert speakers to talk on updates relevant to the practising clinician. CPD points will also be offered to those who attend, so don't miss out on this opportunity!

We look forward to your participation.

With kind regards,

Prof Zawawi Nordin
