RE: Publicity of the 5th Southeast Asia Gastro-Neuro Motility Association (SEAGMA) Scientific Meeting

The Southeast Asia Gastro-Neuro Motility Association (SEAGMA) is pleased to announce our 5th Scientific Meeting to be held at Weil Hotel, Ipoh from 10-12th January 2020.

The event is entitled “Dissecting the Dysfunctional Bowel”, with a focus on functional gastrointestinal and motility disorders ranging from irritable bowel syndrome, updates on the Rome IV criteria, and the use of probiotics in the general clinical practice. The topics presented during this meeting is tailored to meet the needs of a wide range of practitioners, including gastroenterologists, physicians, general practitioners, and allied healthcare professionals.

Registration can be done online, and is assessable at the website www.seagma.org . The registration fee is RM600 for SEAGMA members and RM650 for non SEAGMA members at early bird rates (before 30 November 2019) and RM450 for allied healthcare professionals. Hotel options are also available on the website, at a discounted rate when booked via the event.

We would be grateful if your society could publicize this event. With your significant online and social media presence, a mention of our event on your platforms would make a difference in the dissemination of this event.

Attached is a flyer of the event that could be uploaded to the website. We thank you for your assistance in the mention of our meeting. Please do not hesitate to contact me should there be any queries regarding the event.

Yours truly

DATO DR ANDREW CHUA SENG BOON
