MESSAGE

I would like to extend a warm welcome to delegates to GUT 2011. This meeting comes a few months after a successful APDW 2010 meeting held in Kuala Lumpur. The scientific committee chaired by Dr Tan Huck Joo and Professor Dato' Goh Khean Lee has drawn up an extensive programme that will appeal to a wide audience. We have carefully selected a panel of experts from various parts of the world who are leaders in their own fields of expertise.

The meeting will be for three days with interactive breakfast sessions on specialised topics for more intimate discussions and lectures, symposia, Young Investigators' Session and very popular case discussions.

This year's MSGH Oration will be given by Professor Colm O'Morain and the Panir Chelvam Lecture by Professor J Y Kang.

In addition to attending the comprehensive meeting, I hope you have time to enjoy our hospitality and beautiful sites around Kuala Lumpur and Malaysia!

Dr L Sanker V
President, MSGH &
Organising Chairman, GUT 2011
